2005 ROCKPILE Cemetery Vineyard Zinfandel Rockpile

90 Points

“The 2005 Zinfandel Rockpile Cemetery Vineyard is a full-throttle, full-bodied offering revealing a deep ruby/purple color as well as dense raspberry and sweet cherry fruit intermixed with incense, loamy soil, pepper, and spice notes. This is an opulent, complete Zinfandel the likes of which is rarely found in the 2005 vintage. This is my first experience with the Healdsburg-based Mauritson Family Winery, which merits high marks for producing three brilliant Zinfandels in such a difficult vintage. It helped that they were working with one of the finest Zinfandel sites in northern California, the Rockpile appellation.”
