Composition: 100% Cabernet Sauvignon
Soils: Positas
Alcohol: 14.5 % by volume
Aging: 28 months oak barrels, 100% French

Winemaker Notes

Tumbled through the ages by creeks and rivers, Positas is a gravelly Loam soil formed in alluvial material. Primarily located between 200-1,000 feet in elevation, Positas soils are found on stream terraces and side slopes, commonly referred to as benchland, home to some of the greatest Cabernet Sauvignon.

Positas soils are nutrient rich and moderately deep, yet well-drained. Cabernet thrives in the environment provided by Positas soils, yielding fruit with thick skins, broad tannins and rich characteristics. With a pH ranging from 6.0 to 8.0, Positas soils are slightly acidic.

The 2015 Positas is a dark and powerful wine. The nose is sweet with ripe black fruit, star of anise shavings, cool mint and dark chocolate. Chewy tannins give way to notes of sweet loam and espresso grounds. The youthfulness of this Cabernet Sauvignon is demonstrated in its dense, full-bodied core; it will age gracefully for the next 10-15 years.
