

July 2022

2019 CLOUGH CABERNET SAUVIGNON Sonoma County

94 Points

The 2019 Clough Cabernet Sauvignon is like a remastered version of its 2018 counterpart. Here, the concentration and density boasted by the 2018 is brought into focus, with particular purity of fruit and an elegant frame. It has scents of Morello cherries, dried herbs, milk chocolate, tobacco leaves and pencil shavings. The medium-bodied palate offers fruit intensity without the corresponding palate weight, with soft, grainy tannins, refreshing acidity and a long, mineral-driven finish.
