## Winemakers' Perspective

Our family's Rockpile Ridge Vineyard is located at nearly 1,200-feet in elevation. This vineyard has sweeping sun exposures from southeast to northwest and consists of nine distinctly different blocks of Zinfandel. Each are harvested at different times and fermented separately to ensure the integrity and uniqueness of the individual blocks. Working with the varied sun exposures, soil compositions, slopes and drainages is a winemaking dream come true and what makes our Rockpile Ridge Zinfandel so spectacular.

Our 2019 Rockpile Ridge Zinfandel carries all of the signature aromas expected from Zinfandel grown in Rockpile: candied cherry and plum; dark cocoa; ground roasted coffee; savory dried herbs and sweet earth. This incredible iteration of Rockpile Ridge Zinfandel is singularly defined by its detailed texture. It's vibrant, yet concentrated; elegant, yet bold; velvety, yet powerful. Then it ultimately resolves into a seamless and persistent finish. This energetic Zin will benefit from at least 1-2 years of bottle age. Enjoy over the next 10-12 years.
